Date(s) Describe what happened

On September 26th, a court date is set before Judge Hanna to determine custody and divorce matters in a continuation of a case that has been domesticated from California to Arizona. The father has been incarcerated since 2007, was let out 2 weeks ago, is not a citizen of this country and is threatening to take his son prior to the 26th court date (he is threatening to come this weekend 9/17-9/18). I believe that if the father takes the child neither one will be present for the court date and I will not see my son again. I believe this would be detrimental to the well-being of my son.
